

MULTICUT 420

3PL FLEX WING SLASHERS

The Spearhead Multicut 420 is a 3-point linkage mounted slasher ideal for use with tractors of 80hp and above. Sitting perfectly between the fixed and trailed mowing units available on today's market, the Spearhead Multicut 420 gives added versatility alongside a host of innovative features.

A 100hp heavy-duty driveline operating at 1000rpm fitted with three rotors with three blades per rotor operating at over 80 metres per second as standard give effortless cutting power in intense working conditions.

A delta style construction allows for a smooth throughput of material in and out of the slasher combined with a floating linkage to leave a perfect working image even in very rough terrain. Each wheel arms on the slasher features a heavy duty industrial wheel and tyre and can be quickly adjusted making it easy to adjust the cutting height in the field.

- 4.45 metre cutting width
- 80hp minimum tractor power requirement
- Slip clutch protection
- Flexwing (3 point linkage mounted)

Model	Working Width	Weight	HP (Min.)	Rotors	RRP ex GST	RRP inc GST
