FLAIL

HAMMER

With a cutting width of 1.25m, the Sniper 125 Mini flail mower is suitable for lawns, parkland and amenity operations fitted to tractors of 15hp and greater.

This fully welded machine features a low maintenance, high speed dual belt driven transmission powered via a gearbox and enclosed connecting driveshaft to give dependable performance to each of its 26 hammer flails.

A 114mm adjustable rear roller with accompanying scraper bar safely provides a tidy and professional finish to the cut material and allows the machine to be able to offer a range of cutting heights to the operator.

	TRACTOR HP	MINIMUM WEIGHT GUIDE	MACHINE WEIGHT	CUTTING WIDTH	HITCH	PTO SPEED	FLAIL TYPE	NUMBER OF FLAILS	CUTTING HEIGHT
