MULTICUT 480 ARMY

A specialised evolution of a popular machine, Multicut 480 Army has everything to handle life in the military arena.

Front nudge bars provide additional pushing power, driving dense material into the cutting chamber. A bespoke ‘stump jumper’ blade pan with slashing blades improves cutting in the toughest environments, and foam-filled wheels keep you moving.

Working with military customers, we’ve thought of everything. Such as enhanced slip clutch protection, specialist hydraulic lines, and independent lift. This ultra-hardy mower is ready to serve.

- A specialist Multicut 480 for military use.
- Tackles everything – even minor blast impacts.
- Modified blade system delivers cutting at speed.
